Price	\$2,964.00
-------	------------

Description

- Easily mounts to a 1/2 ton, 3/4 ton, or 1 ton truck.
- Durable, corrosion-proof hopper has an 8 cubic foot capacity.
- 12V DC-powered electric drive for quiet, low maintenance operation.
- Uses bulk salt or 50/50 salt/sand mix (with optional vibrator).
- Easy to use variable speed in-cab controls.
- 12 in. poly spinner can broadcast up to 30 ft.
- Horizontal auger reduces material waste and provides better spread control.
- Simple 2 in. hitch-mount design.
- Carbon steel frame is powder-coated for optimum corrosion protection.
- Made in the USA.

The SaltDogg TGS03 8 Cubic Foot Tailgate Spreader is ideal for commercial applications using bulk salt (or a 50/50 salt/sand mix with the optional vibrator). It features a horizontal auger with a stainless steel trough and is compatible with 1/2 ton, 3/4 ton, and 1 ton trucks.

The spreader has a low-profile, 8 cubic foot poly hopper available in black, red and yellow. The hopper's frameless, double-wall construction is durable and highly corrosion resistant. The spreader mounts to a 2 in. class 4 hitch with patented horizontal and vertical adjustment.

Its 12 in. poly spinner can cast material from 3 to 30 ft. A 1/2 HP, 12V dual shaft gear motor is controlled by an included variable speed in-cab controller.

Note: The TGS03 Spreader Extender (see "Accessories" below) is required for installation on trucks with flared tailgates.

Product Common Use: Driveways, Parking Lots, Commercial Properties, Residential Areas
